The CRCC Desk Reference on Professional Ethics: A Guide for Rehabilitation Counselors is Now Available!

The CRCC Desk Reference on Professional Ethics is the most contemporary, authoritative, all-inclusive resource on ethics for rehabilitation counselors. Written and compiled by representatives of the CRCC, it applies the new 2010 Code to everyday practice in a clear, concise, user-friendly format.

It has everything you need at your fingertips, including:

- The Complete 2010 Code of Professional Ethics for Rehabilitation Counselors;
- New Training Scenarios Cross-Referenced with Advisory Opinions;
- An Annotated Bibliography; and
- A Comprehensive Set of Appendixes, including Sample Forms.

The CRCC Desk Reference on Professional Ethics is a critical guide and an invaluable resource to ethical practice for all. For rehabilitation counselors, it provides a more in-depth understanding of the new Code, strengthens decision-making skills, and facilitates compliance in everyday practice. For educators, it enhances curriculum and provides a critical student resource as “must read” material. For employers and supervisors, it provides a foundation for developing in-service training programs and can improve risk management by enhancing opportunities for improved service outcomes.

The CRCC Desk Reference on Professional Ethics may be purchased for \$39.99 through the Publisher, Elliott & Fitzpatrick at www.elliottfitzpatrick.com or by calling 1-800-843-4977.

“The CRCC Desk Reference is the culmination of many months of hard work and dedication based on a vision that all rehabilitation counselors, educators, students, employers, and supervisors will benefit from a comprehensive, timely, integrated ethics resource under one cover. With the implementation of the new Code, effective January 1st, the CRCC Desk Reference provides a critical foundation for ethical behavior in today’s rehabilitation counseling practice settings.”
