CRCC Proudly Offers New CRCC Ethics Webinar: Changes in the New CRCC Code

Addressing the most prominent and innovative aspects of the new 2010 Code, the CRCC Ethics Webinar offers a tremendous opportunity to gain a more in-depth understanding of significant Code changes and how they apply to everyday practice. The Webinar offers a timely opportunity to gain a better understanding of ethical practice for all rehabilitation counselors under the new Code, which is now in effect.

The 2-hour CRCC Ethics Webinar will present key Code changes, illustrations, teaching scenarios, and Q&A. Registrants may choose among 3 areas of focus - Public Sector, Private Sector, and General Session. The Public Sector webinar will provide added focus on supervisory standards and changes, with public sector illustrations, training scenarios, and Q&A. The Private Sector webinar will provide added focus on forensic standards and changes with private sector illustrations, training scenarios, and Q&A. The General Session will provide an extended discussion of new foundation standards, with illustrations, training scenarios, and Q&A for both public and private sectors.

Six (6) dates and times are available in March and April, 2010 at a cost of \$50.00 per session.

In addition, all CRCs and CCRCs will earn 2-clock hours of pre-approved Continuing Education (CE) credit upon Webinar completion.
