## CRCC Welcomes CVE, CWA, and CCAA Vocational Assessment Professionals

CRCC is proud to announce it has assumed new responsibilities for oversight and management of the following designations for vocational assessment professionals:

CVE Certified Vocational Evaluation Specialist  
CWA Certified Work Adjustment Specialist  
CCAA Certified Career Assessment Associate

CVEs, CWAs, and CCAAs provide services and support to help individuals meet their career goals. Specifically, they:

- Recommend vocational/career goals and develop personal employment profiles;
- Assist with return to productive work;
- Create planning documents for motivation to complete school and/or career-related training programs;
- Assist with planning and development of rehabilitation and training programs;
- Assure better job placement via valid occupational information;
- Provide support for career decision-making processes; and
- Facilitate job search, placement, and retention.

CRCC is dedicated to the preservation and maintenance of these important credentials via:

- Enforcement of the CVE/CWA/CCAA Code of Ethics;
- Implementation of the CVE/CWA/CCAA certification renewal process;
- Oversight of CVE/CWA/CCAA continuing education requirements; and
- Maintenance of all CVE/CWA/CCAA contact information.

We are excited to be adding these important, credentialed vocational assessment professionals into the CRCC fold. We look forward to serving this distinguished group with excellence.
