April 22, 2010  
For Immediate Release  
Commission on Rehabilitation Counselor Certification  
847-944-1325

Dear Valued Continuing Education Provider:

To simplify the fee structure across all CRCC designations (CRC, CCRC, CVE, CWA, CCAA), CRCC has instituted the following fee changes effective immediately:

	<u>Standard Category &amp; all CVE/CWA/CCAA</u>	<u>Employer In-Service</u>	<u>Appointing Organizations</u>	<u>ETR</u>
Processing Fee	\$65 per program	\$65 per quarter	\$200 per year	none
Late Fee	none	none	none	none

In addition, please note the following:

- There will no longer be "Priority" processing or a corresponding fee for Standard Category CE Providers, as CRCC has significantly improved processing response time.
- Mailing addresses for pre-approval applications have changed. Please use the new mailing address indicated on the revised pre-approval forms. Mailing to an incorrect address will delay the processing of your paperwork.

Updated Pre-Approval Manuals for Continuing Education for both CRC/CCRCs and CVE/CWA/CCAAs are available on the CRCC website at [www.crccertification.com](http://www.crccertification.com), CE Providers Portal, Program for Pre-Approval for CE Providers Page or directly at [http://www.crccertification.com/pages/program\\_pre\\_approval\\_for\\_ce\\_providers/115.php](http://www.crccertification.com/pages/program_pre_approval_for_ce_providers/115.php).

Please be sure to read the updated manuals, use the revised forms, submit the appropriate fee(s), and mail to the correct address when applying for pre-approval for all CRCC continuing education programs.

Pre-approved CE programs provide a valuable service for our CRCs, CCRCs, CVEs, CWAs, and CCAAs. In addition, they can lead to increased program enrollment via direct CRCC website exposure to our 17,000+ certificants. We look forward to your continued support!
