## CRCC Plans for Upcoming Item Writing Workshop

CRCC is once again planning for our annual Item Writing Workshop. CRCC relies on the expertise of certified professionals in the field of rehabilitation counseling to develop new items for the Certified Rehabilitation Counselor (CRC) examination. Participants not only lend their expertise to the profession and to the CRCC, but also gain a wealth of knowledge with regard to the item writing process and are able to network with other professionals in the field.

The next Item Writing Workshop is scheduled for Thursday, October 8, 2009 through Saturday, October 10, 2009 and will be held in Schaumburg, Illinois. It is a two and one-half day Workshop and participants will be required to arrive on Wednesday, October 7, 2009 and depart on Saturday, October 10, 2009 after 3:00 p.m. CRCC provides the following for participation in the Item Writing Workshop:

- Hotel accommodations will be made for participants for Wednesday, Thursday, and Friday nights at the expense of the CRCC;
- Meals will be reimbursed up to a maximum of \$60 per day;
- Economy class air transportation will be provided to and from your nearest airport to Chicago's O'Hare International Airport at the expense of the CRCC; and
- 18 hours of continuing education credits will be granted to each participant. Nine hours for attendance at the Workshop and nine hours upon completion of 15 written items.

If you are interested in participating in the 2009 Item Writing Workshop, please contact Susan Stark at [info@crccertification.com](mailto:info@crccertification.com) no later than June 12, 2009. Please note that we can only accommodate 15 item writers, so if you are not selected for this Workshop, your name will be kept on file for future Workshops. Further, if you are unable to attend the 2009 Item Writing Workshop but would like to be considered for a future Workshop, please let us know and we will contact you for future Workshops.
