## CRCC Launches New Advocacy & Legislation Section on the CRCC Website!

CRCC is proud to unveil its new Advocacy & Legislation section. Bold, uncluttered, and reader-friendly, it provides a wealth of important information across all CRCC advocacy initiatives.

### A Dynamic New Look with Improved Navigation

With streamlined content and new graphics, viewers can quickly and easily locate specific areas of interest.

### Content Organized by Advocacy Initiative

Four sub-pages focus on CRCC's key advocacy initiatives:

#### Health Care Reform

- Provides important background on the 2010 Federal Legislation and what it means for rehabilitation counselors.
- Details state activities and discussions on the implementation of health care exchanges.

#### State Licensure

- Lists states that currently recognize the CRC Exam in general counseling licensure.
- Highlights current activity by state.

#### The Profession

- Identifies CRCC activities and collaboration to increase awareness, understanding, and appreciation of the rehabilitation counseling profession.

#### Workplace Recognition

- Provides context for CRCC efforts to increase understanding and recognition of the CRC designation among employers.
- Highlights current activity.

### **Comprehensive State Updates**

State activity for both Health Care Reform and State Licensure is updated twice annually (Spring and Fall) and highlighted in the *CRCC Connections*, CRCC's electronic newsletter. An alphabetical index near the top of each web page makes it easy to view activities and discussions for specific states of interest.

### **CRC Advocacy**

CRCC encourages all CRCs to get involved! Ideas and links are provided to stimulate CRC interest and participation.

**View NEW Advocacy & Legislation Section**

"CRCC continues in its commitment to advocate for both its Certified Rehabilitation Counselors (CRCs) and the profession of rehabilitation counseling, engaging on national, state, and local levels across four major initiatives. It is important that we maintain effective communication with our constituents by providing timely information in an easily-accessible format. The new Advocacy & Legislation section makes it easy to stay current by providing quick and convenient access to the latest news and updates across all CRCC advocacy initiatives. We hope you refer to this new section often."
