## *The PVE Credential - A Task Force Communication*

On October 26th, CRCC mailed a letter to all CVEs to pass along information received by an outside task force - the Task Force for Alternative Credentialing - regarding exploration of a different process and credential for vocational evaluation.

CRCC has received a second communication from the Task Force regarding their Professional Vocational Evaluation (PVE) credential, which may be viewed directly via the following link: [Task Force 11-4 Letter](#)

Questions or concerns should be directed to the appropriate Task Force contacts as detailed on the CRCC website, CVE/CWA/CCAA Designations section, [A Different VE Credential? page](#).
