Contact Information for State Professional Counselor Licensure Boards

(in the new Advocacy & Legislation Section)

For those individuals pursuing professional licensure and for those interested in state licensure advocacy initiatives, CRCC has compiled a list of contact information for all state professional counselor licensure boards, including phone and fax numbers, and direct links to all websites and all available email addresses.

Contact Information**

In addition, a list of states that currently recognize the CRC Exam in general counseling licensure and highlights of current CRCC advocacy activity by state, may be viewed on the [State Licensure page](#) in the new Advocacy & Legislation section of the CRCC website.

"While 16 states and jurisdictions currently recognize the CRC Exam by formal rule, regulation, or policy, other states may consider recognition of the CRC Exam on a case-by-case basis. CRCC encourages all those seeking licensure to contact their state boards directly and hopes this contact list is a helpful resource."
